- To relieve financial hardship among those seeking asylum and those granted refugee status particularly by the provision of support, advice and translation services.
- To advance the education of the public in general about the issues relating to refugees and those seeking asylum.

4. Powers

The CIO has power to do anything which is calculated to further its objects or is conducive or incidental to doing so. In particular, the CIO has power to:

- (1) borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The CIO must comply as appropriate with sections 124 and 125 of the Charities Act 2011, if it wishes to mortgage land;
- (2) buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use;
- (3) sell, lease or otherwise dispose of all or any part of the property belonging to the CIO. In exercising this power, the CIO must comply as appropriate with sections 117 and 119-123 of the Charities Act 2011;
- (4) employ and remunerate such staff as are necessary for carrying out the work of the CIO. The CIO may employ or remunerate a charity trustee only to the extent that it is permitted to do so by clause 6 (Benefits and payments to charity trustees and connected persons) and provided it complies with the conditions of that clause; and
- (5) deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of the CIO to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000.

5. Application of income and property

- (1) The income and property of the CIO must be applied solely towards the promotion of the objects.
 - (a) A charity trustee is entitled to be reimbursed from the property of the CIO or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of the CIO.
 - (b) A charity trustee may benefit from trustee indemnity insurance cover purchased at the CIO's expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.
- (2) None of the income or property of the CIO may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of the CIO.
- (3) Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by Clause 6.

6. Benefits and payments to charity trustees and connected persons

- (1) General provisions

No charity trustee or connected person may:

 - (a) buy or receive any goods or services from the CIO on terms preferential to those applicable to members of the public;
 - (b) sell goods, services, or any interest in land to the CIO;
 - (c) be employed by, or receive any remuneration from, the CIO;
 - (d) receive any other financial benefit from the CIO;

unless the payment or benefit is permitted by sub-clause (2) of this clause or authorised by the court or the Charity Commission ("the Commission"). In this clause, a "financial benefit" means a benefit, direct or indirect, which is either money or has a monetary value.
- (2) Scope and powers permitting trustees' or connected persons' benefits
 - (a) A charity trustee or connected person may receive a benefit from the CIO as a beneficiary of the CIO provided that a majority of the trustees do not benefit in this way.
 - (b) A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the CIO where that is permitted in accordance with, and subject to the conditions in, sections 185 to 188 of the Charities Act 2011.
 - (c) Subject to sub-clause (3) of this clause a charity trustee or connected person may provide the CIO with goods that are not supplied in connection with services provided to the CIO by the charity trustee or connected person.
 - (d) A charity trustee or connected person may receive interest on money lent to the CIO at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).

- (e) A charity trustee or connected person may receive rent for premises let by the trustee or connected person to the CIO. The amount of the rent and the other terms of the lease must be reasonable and proper. The charity trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- (f) A charity trustee or connected person may take part in the normal trading and fundraising activities of the CIO on the same terms as members of the public.

(3) Payment for supply of goods only – controls

The CIO and its charity trustees may only rely upon the authority provided by sub-clause (2)(c) of this clause if each of the following conditions is satisfied:

- (a) The amount or maximum amount of the payment for the goods is set out in a written agreement between the CIO and the charity trustee or connected person supplying the goods (“the supplier”).
- (b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.
- (c) The other charity trustees are satisfied that it is in the best interests of the CIO to contract with the supplier rather than with someone who is not a charity trustee or connected person. In reaching that decision the charity trustees must balance the advantage of contracting with a charity trustee or connected person against the disadvantages of doing so.
- (d) The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the CIO.
- (e) The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of charity trustees is present at the meeting.
- (f) The reason for their decision is recorded by the charity trustees in the minute book.
- (g) A majority of the charity trustees then in office are not in receipt of remuneration or payments authorised by clause 6.

(4) In sub-clauses (2) and (3) of this clause:

- (a) “the CIO” includes any company in which the CIO:
 - (i) holds more than 50% of the shares; or
 - (ii) controls more than 50% of the voting rights attached to the shares; or
 - (iii) has the right to appoint one or more directors to the board of the company;
- (b) “connected person” includes any person within the definition set out in clause 30 (Interpretation);

7. Conflicts of interest and conflicts of loyalty

A charity trustee must:

- (1) declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the CIO or in any transaction or arrangement entered into by the CIO which has not previously been declared; and
- (2) absent himself or herself from any discussions of the charity trustees in which it is possible that a conflict of interest will arise between his or her duty to act solely in the interests of the CIO and any personal interest (including but not limited to any financial interest).

Any charity trustee absenting himself or herself from any discussions in accordance with this clause must not vote or be counted as part of the quorum in any decision of the charity trustees on the matter.

8. Liability of members to contribute to the assets of the CIO if it is wound up

If the CIO is wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

9. Charity trustees

- (1) Functions and duties of charity trustees

The charity trustees shall manage the affairs of the CIO and may for that purpose exercise all the powers of the CIO. It is the duty of each charity trustee:
